No one can prevent all identity theft or cybercrime.

<sup>1</sup> We do not monitor all transactions at all businesses.

<sup>2</sup> Credit features require setup, identity verification and sufficient credit history by TransUnion and/or Equifax. Credit monitoring features may take several days to activate after enrollment.

<sup>3</sup> Locking your credit file won't stop all companies from pulling your credit file. The credit lock on your TransUnion file will be unlocked if your subscription is downgraded or cancelled.

<sup>4</sup> Does not include monitoring of chats or direct messages.

<sup>5</sup> Reimbursement and Expense Compensation, each with limits of up to \$1 million for Benefit Essential, Premier, and Premier Plus, and up to \$50,000 for LifeLock Benefit Junior (\$25,000 reimbursement coverage and \$25,000 fraudulent withdrawals). All plans include up to \$1 million in coverage for lawyers and experts. Cyber Crime Coverage, if applicable, covers up to \$50,000 for covered expenses per Plan. All benefits are issued and covered by third party partners. Policyterms, conditions, and exclusions at: [genidigital.com/legal](https://genidigital.com/legal).

<sup>6</sup> Subject to eligibility requirements defined in Terms & Conditions. Norton reserves the right to change and/or cease services at any time.

<sup>7</sup> Norton SafeCam and Norton Cloud Backup features are only available on Windows.

<sup>8</sup> Norton Parental Control features are not supported on Mac.
