No one can prevent all identity theft or cybercrime.

¹ We do not monitor all transactions at all businesses.

² Credit features require setup, identity verification and sufficient credit history by TransUnion and/or Equifax. Credit monitoring features may take several days to activate after enrollment.

³ Locking your credit file won't stop all companies from pulling your credit file. The credit lock on your TransUnion file will be unlocked if your subscription is downgraded or cancelled.

⁴ Does not include monitoring of chats or direct messages.

⁵ Reimbursement and Expense Compensation, each with limits of up to \$1 million for Benefit Essential, Premier, and Premier Plus, and up to \$50,000 for LifeLock Benefit Junior (\$25,000 reimbursement coverage and \$25,000 fraudulent withdrawals). All plans include up to \$1 million in coverage for lawyers and experts. Cyber Crime Coverage, if applicable, covers up to \$50,000 for covered expenses per Plan. All benefits are issued and covered by third party partners. Policy terms, conditions, and exclusions at: gen.digital.com/legal.

⁶ Subject to eligibility requirements defined in Terms & Conditions. Norton reserves the right to change and/or cease services at any time.

⁷ Norton SafeCam and Norton Cloud Backup features are only available on Windows.

⁸ Norton Parental Control features are not supported on Mac.
